SEP POLICY BRIEFS

S.Micossi, F.Peirce "Flexibility clauses in the stability and growth pact: no need for revision"

This Policy Brief offers an in-depth review of the Stability and Growth Pact (SGP) and looks at whether the margins of flexibility within existing rules are sufficient in the current climate of low growth...

Carlo Bastasin, "German investors reshaping Europe"

Accumulating further current account surpluses, the German industry will be able to shape the Euro-area productions according to its interest and likeliness...

Marcello Messori, "The frying pan burns less than the fire. Why Italy should not go out of the euro"

Leaving the euro or staying in the area is not an alternative that offers symmetrical advantages and disadvantages to Italy and to other "peripheral" Member States...

SEP WORKING PAPERS

R.Tamborini, "Heterogeneous market beliefs, fundamentals and the sovereign debt crisis in the Euro Zone"

R.Tamborini, "Transatlantic austerity 2010-13 A comparative assessment"
