Policy Briefs

"Was Renzi a real winner?"

After a hard-nosed negotiation, the EU Commission and the government of Italy have reached an agreement on the level of structural deficit that Italy will have to achieve in the next years as specified in its Stability Law...

Carlo Bastasin, "[Germans' fear of paying the debts of other Europeans](#)"

A poll conducted by a German insurance company (R+V Versicherung) revealed that for two out of three Germans, the worst fear in life is having to pay the debts of other Europeans; worse than war, sickness, natural disasters or inflation...

Carlo Bastasin, "[Will Merkel call for Eurobonds?](#)"

Quite unexpectedly, the next months might provide new momentum for Eurobonds. Although political coordination in the euro area is dismal and the spirit for constructive proposal is less than optimal, a specific financial fallout of the current economic crisis...
