OPPORTUNITIES

[Opportunità di una borsa di studio - Sono aperte le iscrizioni al Master in Economia, Finanza e Governance degli Investitori Istituzionali \(EFGII\) organizzato dalla SEP in cooperazione con il MEFOP](#)

Questa è la prima edizione del programma del Master. Le conseguenti competenze tecniche e analitiche sono calibrate per una figura professionale che lavori nelle istituzioni nazionali, europee o che curi i rapporti fra realtà nazionali e istituzioni europee. Il Master EFGII intende formare figure che possano contribuire a migliorare la qualità degli investitori istituzionali, previdenziali e non, nel panorama nazionale, comunitario e internazionale. *[Clicca qui](#) per informazioni

PUBLICATIONS

[S. Micossi: A Blueprint for Completing the Banking Union](#)

VOX CEPR's Policy Portal published a Policy Brief by SEP president Stefano Micossi. In this highly insightful piece, President Micossi argues that completing the banking union should once again be given priority. Furthermore, he explains how the European deposit insurance scheme could move forward immediately by providing in its

early phase a liquidity line that the ESM would offer to national deposit guaranty schemes that had exhausted their funds, with no sharing of losses.

[S. Berardi & A. Marcelletti: Family Business - Control and Concentration in Euro-Area Companies](#)

This Working Paper was prepared by Alessandra Marcelletti, a researcher at SEP, and her colleague Simone Berardi. Their research explores corporate governance architecture by exploiting an augmented version of the law of proportionate effect to estimate the impact of ownership structure on firm performance. Their results suggest that ownership concentration and family control are significant company growth determinants.

IN THE PRESS

December 22, 2017 - *Corriere Della Sera* published an editorial by Scientific Council member **Lorenzo Bini Smaghi**. In this article, Professor Smaghi discusses what the high public debt means for the future of the Italian economy.

December 15, 2017 - *Il Sole 24 Ore* published an editorial by SEP Scientific Council member **Carlo Bastasin** in which he discusses the upcoming Italian election and the dangers of sovereignism. In this piece, he neatly puts the national election in a global context and analyses what it all means for Italy going forward.

December 15, 2017 - *Il Sole 24 Ore* published an editorial by SEP senior fellow **Lorenzo Codogno** and his colleagues. In this article, they explore what risk and effects a parallel currency -- as many have recently begun advocating -- would have on Italy. With much thought, Professor Codogno and his colleagues conclude that it is simply not a sustainable proposition in a vulnerable country like Italy.

December 14, 2017 - *Il Sole 24 Ore* published an editorial by SEP senior fellow **Daniel Gros**. In this article, Professor Gros explores the past and possible future trends of the rules on global trade. In doing so, he tries to answer if we are currently in the twilight of orderly global trade.

December 9, 2017 - *AffarInternazionali* published an editorial by SEP senior fellow **Ferdinando Nelli Feroci**, in which he discusses the economic and monetary union. In this article, he explores new, yet pragmatic ideas that could help strengthen European economic conditions.
