Policy Briefs

[P. Bofinger, J.P. Fitoussi, E. Giovannini, J. Stiglitz "The existential dilemma of Europe"](#)

Europe seemingly is facing an existential dilemma: the rules of the EU and the Eurozone were established by democratic governments...

[Carlo Bastasin, "Carlo Bastasin, "Will Merkel call for Eurobonds?"](#)

Quite unexpectedly, the next months might provide new momentum for Eurobonds...

[Giandomenico Majone, "European Union: The limits of collective action and collective leadership"](#)

While a number of political leaders, as well as some scholars and opinion makers, argue that the current crisis of EU-style integration can only be overcome by having "more Europe", this paper argues that there are intrinsic limits to the method integration followed since the founding treaties...

[Carlo Bastasin, "Germans' fear of paying the debts of other Europeans"](#)

A poll conducted by a German insurance company revealed that for two out of three Germans, the worst fear in life is having to pay the debts of other Europeans...

[Carlo Bastasin, "German investors reshaping Europe"](#)

Accumulating further current account surpluses, the German industry will be able to shape the Euro-area productions according to its interest and likeliness...
